Rio Rapids Soccer Club invites high school age players and their parents to join us for our first ever College Fair. Rio Rapids SC alumni and coaches who have/are attending college and playing soccer at the intercollegiate level will be on hand as resources to discuss their college/university academic and athletic programs and their academic major. The Fair will be an informal setting where you can learn and ask questions about a number of colleges/universities in one evening.

Below is a preliminary list of colleges/universities we expect to have represented. This list is constantly growing as we hear back from our alumni.
